

## HUNS SILENT AS TO WHEN THEY WILL SIGN

### Allies May Send Ultimatum Setting Date for Signing

[By The Associated Press.]  
Another day has passed with the delegates of the allies and associated powers in Paris waiting in vain for a word from the Germans as to when they will be ready to sign the peace treaty. Unofficial opinion in the French capital is that the momentous event will not take place before Saturday and possibly not until Monday.

The council of four was informed that during Wednesday the German government was busily engaged in trying to arrange the personnel of its delegation in Versailles.

The Germans have thus far given no intimation as to what men are the choice of the Kaiser government. Unofficial advice indicates that the cabinet is experiencing great difficulty in finding men who are willing to take upon their shoulders the duty of acknowledging, in a document which will become world history, Germany's utter defeat in the war and her unqualified acquiescence to the terms of the victors.

Reports are that Herman Mueller, foreign secretary in the Kaiser cabinet, like Dr. Haniel von Hainhausen, declined to accept the onus for signing a treaty admittedly obnoxious to the Germans. Even a visit Wednesday to Versailles where the members of the original German delegation still are, by the general secretary of the peace conference failed to bring forth any knowledge of what was being done in Germany toward the selection of plenipotentiaries.

Paris dispatches assert that owing to the uncertainty of the situation the heads of the allied and associated powers are contemplating issue of an ultimatum setting a day and time satisfactory to them for the appearance of the Germans before the peace conference to sign the treaty.

**Mueller Declines to Sign.**  
Berlin, June 24.—(By The Associated Press.)—Herr Mueller, the new foreign minister, the Tageblatt says, has declined to go to Versailles to sign the peace treaty. Field Marshal von Hindenburg, it is added, has resigned the chief command of the army.

Major von Olla denied the report that the German army officers had been resigning as a protest against the acceptance of the peace terms. Nevertheless, it is said, the regular army officers will oppose vigorously the surrender of their former leaders. The situation created by their attitude has become acute already and those in touch with the situation fear it may result in serious complications both for the cabinet and for the nation.

**Ebert Issues Proclamation.**  
London, June 25.—President Ebert of Germany, Premier Bauer and all the ministers have issued a proclamation, according to a wireless message from Berlin, announcing the conclusion of peace and urging as the first pressing need the bending of all efforts to its fulfillment.

"As far as it is possible to carry it out," says the proclamation, "the treaty must be carried out." It declares that the German people are threatened with separation from the empire and promises to intercede in their behalf "as we would intercede for ourselves." It concludes by exhorting the people to realize the need of work and faithfulness to duty for the redemption of the country.

### END NEGOTIATIONS WITH PHONE COMPANY

SAN FRANCISCO, June 25.—All further negotiations between the Pacific Telephone & Telegraph company and its striking telephone operators through California definitely were ended until the company receded from its present attitude representative of the workers announced today at the conclusion of a conference.

The operators' decision was announced by T. C. Robbins, an organizer for the International Brotherhood of Electrical Workers with which the operators are affiliated, at the conclusion of a meeting between the operators and John Downs, traffic superintendent of the telephone company. According to Robbins the telephone company agreed to the creation of a board composed of representatives of the company and the workers to arbitrate further differences and made other concessions but refused to set five years instead of seven as the period in which an operator could earn the maximum pay.

### LIGHTNING KILLS TWO STUDENTS

Dubuque, Ia., June 25.—Word was received here today of the death at Cassville, Wis., by lightning Monday night of two University of Chicago students, C. Zahn and W. Lathrop, who were camping near there. Zahn was a native of South America but had lived in Chicago several years. Lathrop's home is in Summer, Ill.

## Cancel Offer Of Service In Europe

[By The Associated Press.]  
WASHINGTON, June 25.—Offer of service in Europe to recruits obtained under voluntary enlistment will be withdrawn under orders prepared by the war department. The policy of sending regular officers overseas to relieve those in the American Expeditionary Forces also will be abandoned. This action was said today to have resulted from the improved situation in Europe growing out of the imminent signing of the peace treaty. In the orders officers here foresaw an early return of all troops now abroad excepting the comparatively small American contribution to the army of occupation.

Secretary Baker said today he had not been advised from Paris as to the size of the American army which is to be maintained for the time being in Germany. The fact that the fourth and fifth divisions of regulars were definitely slated for return in June, until the crisis of last week caused the cancellation of these plans is cited here as evidence that the American forces will not be larger than three divisions, or about 120,000. It is estimated that the first, second and third divisions would require about 40,000 replacements to take the place of men in those organizations who are eligible for discharge. Voluntary enlistments totaling more than 70,000 men already have been reported, thus forcing the department to cancel its terms of European service to volunteers.

"Troops are now being returned to the United States at such a rate," said an official announcement, "that at the request of General Pershing no more officers will be sent overseas except the class of student officers composed of recent graduates of the United States military academy scheduled to leave about July 11."

At the same time notice was given of the withdrawal of permission for wives and children of officers and enlisted men to go abroad. This was necessitated, the department said, by the fact that it will be impossible to say which individual soldiers will be kept overseas until the composition of the army of occupation is determined.

### OXFORD HONORS PERSHING AND HOOVER

OXFORD, Eng., June 25.—By the A. P.—General Pershing and Herbert C. Hoover, represented the United States in a distinguished company of noted men from the allied countries who were honored today by Oxford university with degrees of doctor of civil law.

The event was rich in ceremonial pomp fostered by traditions of the institution. None of the spectators who crowded the theater followed the proceedings with keener interest than a handful of American army students. General Pershing, Hoover, Baron Gortals, Marshall Joffre, Vice Admiral Sir David Beatty, Field Marshal Sir Douglas Haig, Major General Sir Henry Hughes Wilson, chief of the British imperial staff and Vice Premier Sir Rosslyn Wemyss, first sea lord, former Premier Orlando of Italy and Premier Paderewski of Poland, received degrees by proxy.

### TO ANNOUNCE FIGHT OFFICIALS FRIDAY

TOLEDO, June 25.—Selection of officials to decide the heavy weight championship contest between Willard here July 4th will not be announced until Friday. Postponement of announcement of the selection, scheduled for tomorrow was caused tonight by failure of Adam Empe, secretary of the army, navy and civilian board of boxing control and W. A. Gavin, member of the executive committee to leave for New York on the train they intended.

Because they will not arrive in New York until tomorrow it will be impossible they said, to hold a meeting of the executive committee of the boxing control board until Friday.

### TO SELECT TEAM

Springfield, Ill., June 25.—The civilian rifle team of Illinois which will represent the state in the national matches to be held in Caldwell, N. J., in August will be selected at two contests, the first an elimination match to be held at Camp Logan and Lincoln on July 6, and the second a selection match to be held at Camp Logan on July 20, according to Adj. Gen. Dickson, who announced the rules governing the contests today.

### CAPTURE ESCAPED PRISONER

Lincoln, Ill., June 25.—Henry Mason, an escaped prisoner, who leaped from a train yesterday between Edwardsville and Pontiac, was captured this morning at Atlanta and will be returned to this city today. Mason was convicted of the charge of larceny and was being taken to the reformatory when he escaped.

### HONOR FRENCHMAN

Madison, Wis., June 25.—The honorary degree of doctor of laws was conferred by the University of Wisconsin at commencement exercises today on Marcel Knecht of the French high commission to the United States and Samuel Plantz, president of Lawrence College.

## SENATE PASSES ARMY BILL FOR 400,000 MEN

### Bill Carries \$888,000,000—Goes to Conference

[By The Associated Press.]  
WASHINGTON, June 25.—The army appropriation bill carrying \$888,000,000 and providing for an average army of 400,000 men next year—an increase over the house bill of \$171,000,000 in funds and 100,000 in personnel—was passed late today by the senate without a roll call and sent to conference.

Before passage of the bill, Senator Fall, Republican of New Mexico, withdrew his support and declared the war with Germany and Austria at an end, explaining that he expected action within a day or two on his joint resolution to the same effect as regards Germany now before the foreign relations committee.

The senate, following disposal of the army measure began considering the annual naval appropriation bill carrying \$646,272,000, an increase of \$45,000,000 over the house bill.

Passage of the naval bill tomorrow is desired and leaders, in their effort to enact all appropriation bills needed by July 1, plan to rush through the \$500,000,000 sundry civil budget.

Final vote on the army bill was delayed temporarily today by protracted discussion of the peace treaty and league of nations. In this connection Senator Borah, Republican of Idaho, opposed the increase of the army for 1920 from 300,000 to 400,000 men, but without a record vote the senate approved the 400,000 provision, which is estimated to give pay and subsistence for 322,000 men in the army after next September. As passed by the senate the principal items of the army bill are \$215,850,000 for army pay, \$523,931,000 for subsistence and transportation; \$54,400,000 for aviation; \$12,250,000 for national guard; \$19,000,000 for ordnance and \$45,000,000 for storage and shipping facilities.

The senate reduced from \$3,250,000 to \$2,000,000 the appropriation for purchase of the Dayton-Wright aviation field at Dayton, Ohio, and also substituted that not more than \$1,000,000 shall be spent in acquiring 1500 additional acres of land adjoining the Wright field.

Another amendment would limit the salary of C. W. Hays, in charge of disposal of surplus war supplies to \$12,000,000 a year, a reduction of \$13,000,000 from Mr. Hays' present salary.

A proposal by Senator McKellar, Democrat, Tennessee, to strike out a provision for bonuses in government arsenals was defeated without a roll call.

### SHOWERS HELP CORN; RETARD HARVEST

SPRINGFIELD, Ill., June 25.—"Local and scattered showers were beneficial to corn but retarded the harvest and other exercises as in the past. In addition extensive maneuvers and practices are planned for the vicinity of the Hawaiian Islands each year."

When asked how long it would take the two great fleets to unite on either coast in case of threatened danger Secretary Daniels said today that under ordinary conditions with the Atlantic fleet in the vicinity of New York and the Pacific fleet around San Francisco, the junction could be effected and the combined fleet ready to meet any foe within two weeks.

### ANNOUNCE DATES FOR ENCAMPMENT

SPRINGFIELD, Ill., June 25.—Encampment dates for six infantry regiments including reserves and national guard were announced this morning by Adj. Gen. Dickson. The regiments will encamp at Camp Lincoln which is located in this city. The encampment dates follow: Eleventh infantry, national guard, July 12-19; sixth infantry, reserve, July 19-28; fifth infantry, reserve, July 28-Aug. 2; seventh infantry, national guard, Aug. 9-16 and Tenth infantry, national guard, Aug. 18-23.

Downstate depot organizations will be assigned to halt the various train regiments, according to Adj. Gen. Dickson.

### GERMANY THREATENED WITH RAIL STRIKE

Berlin, June 25.—(By The Associated Press.) Germany is faced with a nationwide railroad strike for higher wages. At the Gerditz Station, Berlin, service has been stopped in both directions. The Breslau service has been badly interrupted.

The government is negotiating in an endeavor to halt the strikes which are largely the outcome of communistic propaganda.

### REPORT ON CONTRACTS

Washington, June 25.—"Purchase and storage" contracts outstanding June 1, aggregated \$107,000,000 against more than one billion when hostilities ceased according to a war department report issued today.

## New Pacific Fleet To Sail Next Month

[By The Associated Press.]  
WASHINGTON, June 25.—The recently created Pacific Fleet, now being organized from vessels heretofore forming a part of the Atlantic forces will sail from Hampton Roads for the west coast between July 15 and 20 Secretary Daniels announced. Mr. Daniels probably will be a passenger on one of the warships making the trip to the Pacific thru the Panama Canal.

The Superdreadnaught New Mexico will fly Admiral Hugh Rodman's flag as flagship of the Pacific fleet and the Pennsylvania will remain the flagship of the Atlantic Fleet. The composition of the two fleets Secretary Daniels announced will be made public within a few days.

The Pacific Fleet upon reaching the western coast will visit San Diego, Los Angeles and San Francisco and probably will make the last stop at Puget Sound, Secretary Daniels, if able to make the trip will visit the Pacific Coast Naval Yards and establishments with a view to making recommendations to congress next December for necessary changes.

In announcing the date of departure of the Pacific Fleet from Hampton Roads, which is about a month earlier than previously contemplated, Secretary Daniels said he had planned on visiting the Pacific Coast in August and that he therefore would make every effort to go with the fleet in order to study the scope of contemplated improvements of naval facilities at the Panama Canal. It was learned at the navy department that extensive changes would be necessary in the naval establishment in the canal zone especially on the Pacific side to take care of the greatly augmented Pacific fleet.

When it first was decided to make the Atlantic and Pacific Fleets of equal size and strength the plan was to send all old battleships to the west coast and to keep the coal burning vessels in the Atlantic due to the geographical disposition of the nation's fuel resources. This plan has been abandoned, it was announced today because such a division would make the fleets unequal in size and gun power; almost all of the newest and best ships being oil burners. Under the final division the chief units will be as nearly equal as it is possible to make them.

**Wants Fleet Equally Matched.**  
Secretary Daniels reiterated today that he wanted the fleets to be equally matched so that when it came to competitions such as war games by the naval war college that the admirals of the two fleets would oppose each other on such equal terms that only strategy and skill could decide the issue. It was announced that such "battles" would be held at least once each year, alternating probably between the Atlantic and Pacific. Both fleets will meet at the drill area at Guantanamo each winter for target practice, maneuvers and other exercises as in the past. In addition extensive maneuvers and practices are planned for the vicinity of the Hawaiian Islands each year.

The shooting occurred Saturday night. Officers who investigated the case said that Lieutenant Beggs contends that another American was responsible for the shooting. It developed that a number of Americans had trouble with German civilians in a cafe at Seeburg. When Beggs was arrested near Coblenz he had in his pocket orders to sail for home and should have started Sunday.

The German government has been accused of having aided against the lieutenant by the army authorities. Beggs will be tried before a general court martial.

### DECORATE A. E. F. STAFF OFFICERS

WASHINGTON, June 25.—Award of Distinguished Service Medals to these American expeditionary force staff officers was announced today by the war department.

Brig. Generals S. D. Rockenback and Meriwether L. Walker; Colonels Alvin C. Voris, George M. Hoffman, Matthew E. Tinley, Henry H. Oury, Henry C. Jewett, Walter C. Babcock, F. J. Kingman, Stanley H. Ford, A. F. Casard, James K. Crain, E. D. Bricker, H. M. Kniff; Lieut. Colonels Hugh W. Ogden, J. R. Brabson, A. S. Peck, W. L. Culbertson, H. J. Maloney, and Major Percival Manchester.

### OFFER REWARD FOR JEWELS

New York, June 25.—A reward of \$10,000 was offered by the Associated Press for the recovery of the jewels valued at \$275,000 owned by Mrs. Regina Mulholland of Richmond, Va., which mysteriously disappeared from a safe deposit box in the hotel vault. No progress has been reported towards solving the mystery.

### TO FURNISH FIGHT NEWS TO SOLDIERS

New York, June 25.—Soldiers and sailors in hospitals and camps throughout the country will be informed of the progress of the Willard-Dempsey fight at Toledo on July 4th, thru a ticker and bulletin service arranged by the Knights of Columbus. It was announced tonight by that organization.

## Strike Causes Produce To Rot on Piers

[By The Associated Press.]  
NEW YORK, June 25.—Commission merchants whose produce is rotting on New York piers because of the strike of market teamsters, porters and chauffeurs, today sent telegrams to the governors of North Carolina, Virginia, Delaware, Maryland and California asking them to request Governor Smith of New York to intercede in the controversy on the ground that the farmers in those states will suffer great financial injury if the strike continues.

The situation today became so acute that a representative of the department of labor arrived in the city to aid in the settlement of the strike. The walkout Monday has seriously diminished the city's supply of fresh vegetables and fruits and today New York was virtually without some of these commodities. The only break in the embargo today was the arrival of a ship with 700 barrels of potatoes. Business at the markets handling green vegetables and fruits was at a standstill. The only movement out of these markets was that of government trucks taking supplies to hospitals. These vehicles were operated under a guard of military police.

### TERM DOUGHBOY 'SECOND BRAVEST MAN'

CAMP DIX, N. Y., June 25.—Another humble American doughboy took his place in the hall of fame today in the person of Private Frank Gaffney of Company G, 163th Infantry, the twenty-seventh division (New York National Guard).

Sergeant Alvin York of Pall Mall, Tenn., is the only man in the American army credited with a larger bag of prisoners than Gaffney. The late Tennesseean brought in 132 Germans but had a few men to help him round them up while the New Yorker, all alone and suffering from a wound which cost him one of his arms piloted 80 into the American lines.

"You're the second bravest man the war produced," declared Major General Hale when he pinned the congressional medal of honor upon the breast of the blushing Gaffney. "Here is the official citation which won the highest military honor the nation bestows:

"On Sept. 29 at Ransart when his lieutenant and sergeant had been killed, Private Gaffney assumed command of the platoon; bravely and skillfully handling a machine gun and had grenades he killed several of the enemy and brought back eighty of them to the American lines."

### ARMY OFFICER FACES CHARGE OF MURDER

COBLENZ, Tuesday, June 24.—(By The Associated Press.)—Lieut. John Beggs, 23rd Infantry, Kansas City, Mo., is under arrest facing a charge of murder in connection with a shooting affair at Seeburg, village opposite the neutral zone opposite the American area of occupation. The German authorities claim that two civilians, a man and a woman, were killed. The shooting occurred Saturday night. Officers who investigated the case said that Lieutenant Beggs contends that another American was responsible for the shooting. It developed that a number of Americans had trouble with German civilians in a cafe at Seeburg. When Beggs was arrested near Coblenz he had in his pocket orders to sail for home and should have started Sunday.

The German government has been accused of having aided against the lieutenant by the army authorities. Beggs will be tried before a general court martial.

### DECORATE A. E. F. STAFF OFFICERS

WASHINGTON, June 25.—Award of Distinguished Service Medals to these American expeditionary force staff officers was announced today by the war department.

Brig. Generals S. D. Rockenback and Meriwether L. Walker; Colonels Alvin C. Voris, George M. Hoffman, Matthew E. Tinley, Henry H. Oury, Henry C. Jewett, Walter C. Babcock, F. J. Kingman, Stanley H. Ford, A. F. Casard, James K. Crain, E. D. Bricker, H. M. Kniff; Lieut. Colonels Hugh W. Ogden, J. R. Brabson, A. S. Peck, W. L. Culbertson, H. J. Maloney, and Major Percival Manchester.

## BLOCK FALL RESOLUTION IN COMMITTEE

### Senate Body Votes to Defer Action for the Present

[By The Associated Press.]  
WASHINGTON, June 25.—Failing to command the united support of opponents of the league of nations, the proposal for an immediate declaration of peace by congress was blocked today in the senate foreign relations committee.

After a long and lively discussion the committee voted 12 to 4 to defer action for the present on the resolution of Senator Fall, Republican, New Mexico, embodying the peace declaration. Five senators opposing the league including Chairman Lodge joined the league advocates in supporting the postponement motion. Besides Mr. Fall those voting for immediate action were Senators Borah, Idaho; Johnson, California; and Moses, New Hampshire, all Republicans.

Later a special meeting to resume consideration of the resolution was called for Monday and Senator Fall predicted a favorable report of the measure would result. Its opponents however, declared the discussion today revealed such strong opposition in the committee that favorable action would be impossible, altho it was said the principal point discussed was the advisability of urging such a resolution before the treaty had been signed. After the committee's decision Mr. Fall announced in the senate that he would not ask for action on his amendment to the army bill, also embodying the peace declaration. The amendment thus failed actually to come before the senate having been technically disposed of previously when a section to which it had been attached went out of the bill on a point of order.

**A Three Hour Debate**  
Altho the peace declaration proposal was not discussed in the senate chamber during the day, Senator Borah aroused a three hour debate on other issues of the treaty fight by renewing his attack on the league covenant.

Citing the army bill's provision for an army of 400,000 men the Idaho senator declared the league would increase rather than decrease armament.

In committee discussion of the peace treaty declaration today, the proponents of immediate action are understood to have argued that Germany's acceptance of the treaty was assured, with actual condition of peace established, the sooner a formal and technical declaration was adopted the better. Such a declaration would, they agreed, permit a resumption of industrial relations with Germany which would be necessary otherwise on the treaty's ratification. Those opposing immediate action are said to have taken the ground that if congress were empowered to act in the matter at all it ought not to do so until the treaty actually had been signed. Others are said to have held that the resolution was unnecessary and that peace conditions would not necessarily wait upon ratification of the treaty. There also were suggestions that it was the duty of the president and not congress to make such a declaration.

During the discussion General Borah pointed out that General March, chief of staff had told the senate military committee an army of 500,000 would be sufficient for the United States under the league of nations if the other nations do their share and added: "Heaven only knows what we will need if the other nations do not. If we are going to exercise economic pressure on other nations for every little cause and if we're going to prohibit what he is a driveling idiot who thinks it means anything but a stupendous army."

Senator Reed, Democrat, Missouri, interrupted to say that British statesmen and newspapers had declared Great Britain would not materially reduce her navy because of creation of the league.

"I deny that most emphatically," said Senator Hitchcock, Democrat, Nebraska.

"And I assert it most positively," replied Senator Reed, promising to submit statements of Winston Churchill and others.

Senator Borah asserted that the newspapers of the country "centered upon congress to which it is going to be introduced" for the league but that the senate would do its duty regardless of "the dictates of the press."

Declaration by the Idaho senator that the United States dared not reduce its armament in view of the obligations assumed under article 10 of the league covenant led to a general discussion of the article's significance.

As assertion that resort to force was provided in article ten only as a last resort should the arbitration clauses elsewhere in the covenant fail, was made by Senator Fletcher, Democrat, Florida and Senator Pittman, Democrat, Nevada, asked: "Is it the Idaho senator's position that we should take no part in establishing the governments to be set up by the treaty and in maintaining them?"

## National War Labor Board Ends Activities

[By The Associated Press.]  
WASHINGTON, June 25.—The national war labor board today ended its activities preparatory to final dissolution by the president. No new cases will be heard, nor new applications received, but present controversies, jointly submitted, which cannot be concluded prior to June 30, will be assigned to the joint chairman or a section of the board for disposition.

In announcing conclusion of its activities, the board said it had recommended with the approval of the president, all administrative duties in connection with unfinished cases, and all records and files of the board be transferred to the department of labor.

Members of the board pending final dissolution will be at the call of the president.

Conclusion of the board's activities marks the passing of one of the governmental agencies created during the war to further production of war materials.

The board was organized under a presidential proclamation with former president Taft, Frank P. Walsh of Kansas City as joint chairmen and with five members representing labor, five employers' representatives and two members acting for the public. Mr. Walsh resigned after the signing of the armistice and was succeeded by Basil M. Manly, of Washington.

During the year which ended May 31, the board received 1,245 cases, made awards in 462 cases, dismissed 391 for various causes, referred 315 to the specified agencies and suspended one case. Fifteen cases remained on the docket because the board could not agree and 23 cases were pending.

### STREETS OF BERLIN SCENES OF RIOTING

BERLIN, June 25.—(By The Associated Press.)—The streets of Berlin were scenes of rioting and plundering last night and this morning. Incited by speeches from agitators in Alexander Platz mobs attacked and robbed pedestrians and maltreated isolated soldiers. Troops sent to Alexander Platz were fired on by crowds in the streets and from the roofs of buildings. They finally succeeded in clearing the streets.

Elsewhere in the city bands of marauders robbed shops and attacked citizens rick the pockets. The neighborhood of the Stettin railroad station, the Hochstrasse and the Badstrasse was notably disorderly. Street cars were held up while rioters searched the passengers' pockets and stole women's rings. Here also soldiers were beaten and shots were fired from roofs and windows and the soldiers returned the fire.

After daylight this morning the city was quieter but at noon the police appealed for troops as the crowds were gathering once more. Four thousand workers in the shops across Grunewald railroad had struck. Troops have occupied the Goerlitz and Stettin stations which are still being used by the public.

### PASSPORT OFFICERS WORK NIGHT AND DAY

PARIS, June 15.—(Correspondence of the Associated Press.)—Passport officers at the American embassy are working night and day providing papers for the French brides of American soldiers who are about to leave for the United States.

Many of the brides are accompanied by their khaki clad husbands, some bringing their mothers with them and many are alone. In the daily queue at the embassy are French girls and from nearly all the provinces. These are large girls and small girls, beautiful girls and plain girls, simple country girls and smartly gowned girls in the latest fashions and short skirts of the Paris boulevards.

Nearly all the brides speak some English, far more English usually than the French their husbands have acquired.

### PESSOA SPEAKS IN NEW YORK

New York, June 25.—A closer drawing of the traditional bonds of friendship between the United States and Brazil with close cooperation in the work of post war reconstruction was urged by Dr. Pessoa, president-elect of Brazil at a dinner given in his honor tonight by Mayor Hylan's committee on reception to distinguished guests. More than 500 persons, including representatives of the government, the army and navy, city officials and prominent financiers attended the dinner.

### SERVICE TO BE FULL OPERATION JULY 1

New York, June 25.—Airplane mail service between this city and Chicago will be in full operation by July 1, according to post office officials here. It was announced today that when the regular service is inaugurated airplanes will leave New York and Chicago simultaneously at 5 o'clock each morning.

"I am objecting to the United States assuming any obligation whatever to maintain in existence any nation in Europe or Asia," replied Mr. Borah.

## TO REPORT TWO DRY MEASURES IN THE HOUSE

### Separate Wartime from Constitutional Prohibition Bill

[By The Associated Press.]  
WASHINGTON, June 25.—A straight clear-cut bill for enforcement of war time prohibition will be reported out tomorrow by the house judiciary committee.

Decision to separate the wartime from the constitutional prohibition enforcement measure—said to be the most drastic liquor bill ever presented to congress—was reached after an all day session, which was much like marching up the hill and then down again. A proposal that two distinct bills be drafted was rejected yesterday but it was brought up again today by Representative Walsh, Republican of Massachusetts, and was pending when a motion to adjourn abruptly ended a heated discussion.

There was no indication as to how the committee would have voted but several leading prohibition members agreed tonight that in view of the manifest differences between the two issues and the possibility that the sale of beer and light wines might be permitted until January by presidential proclamation the wisest thing to do was to report out the wartime bill the first thing tomorrow and the constitutional bill later in the day. In this way "there is every assurance they said that the wartime bill would be passed probably by both houses before the end of the month, when the 'dry act' becomes effective."

An amendment by Representative Steel, Democrat, Pennsylvania, which it was admitted earlier would have nullified the entire law, got thru by a vote of 9 to 8, subsequently was reconsidered and defeated 10 to 7. The amendment stipulated that provisions of the enforcement act, except as they relate to interstate and foreign commerce should not be effective in any state until ratified by the people. It was said tonight that one or two members voted for the amendment as a "joke."

When the committee adjourned without acting on the Walsh motion for separate enforcement bills, Representative Guarn, Democrat of Ohio, returned to the house and introduced the enforcement bill offered at the last session. The committee measure that will go to the house is considered much more simple and more direct and far less drastic than the general bill. Democratic leaders in the house were informed by Chairman Volstead the liquor bill might not be ready before Saturday.

### TRANSPORT BRINGS 29 "WAR BRIDES"

NEW YORK, June 25.—The Transport Santa Teresa from St. Nazaire, docked today with 1,615 aboard and 29 "war brides." The principal unit board was the 149th provisional battalion which included detachments from the 210th and 280th military police companies; wagon company 100, quartermaster corps; 107th, 201st and 308th supply trains; field remount squadron number 115; provisional base hospital number 1, 308th laundry unit; 26th and 10th sanitary squads; 70th evacuation ambulance company and Companies 2, 11 and 14 of the First Regiment air service mechanics.

### FAVOR EXTENDING PHYSICAL TRAINING

Louisville, Ky., June 25.—Resolutions favoring extension of physical training in public schools and placing the American Yvonistic Union on record against prohibition were adopted at the union's annual convention here yesterday. The organization has 40,00

### WHERE COMBINATION PAYS.

In Bloomington the other day the driver of a delivery car lost control and crashed into a plate glass window. There will be no trouble about settling the difficulty as both the car and the window happened to be insured by the same company. This accident suggests that if the insurance companies would but unite their interests that a lot of grief and litigation might easily be avoided.

### THE KENYON PLAN.

Senator Kenyon proposes to regulate the packing industry thru a system of licenses and has introduced a bill with such provisions in the senate. The Iowa senator seldom presents a proposed law which does not have merit and worth, and it may be that he has hit upon a solution of the big question which has long worried those people who believe that the packers are getting too strong a hold upon

the foodstuffs of the nation. Senator Kenyon recognizes the value of public service that the packers perform, but believes that they should not be permitted to reach out and control many lines of production and manufacture without strict government supervision.

### THE LAND FOR SOLDIERS' PLAN.

Former Senator Weeks does not approve the plan of Secretary Lane for reclaiming land and awarding it to returning soldiers. Mr. Weeks' objection is that it will take so long a time to get this plan into effect, into active working operation and entail such a large expense for the draining of the land before any benefits accrue to the soldiers. His further criticism is based on the statement that the plan contemplates that the soldier farmers shall pay the interest on the money expended, so that the expense complained of would in reality rest upon the soldiers. Mr. Weeks believes it would be far better to utilize land which is already available to cultivation for this laudable undertaking. Anyhow, something practical and beneficial to the soldiers is likely to be worked out of Secretary Lane's proposition, as there is a unanimity of opinion that some sort of land offer should be made to the soldiers who are interested in that project.

### COMMUNITY COUNCIL NOTES.

"Thru Community Councils the nation will be welded together as no nation of great size has ever been welded before," Woodrow Wilson.

The idea of the Community Councils is not new; plans for such councils were outlined and organized before the war.

Community Councils represent the next step in democratic organization in our republic.

The formation of the Community Councils was recommended by the Council of National Defense to the several states during the war as providing the best means of reaching all the people.

Community Councils are now urged upon the consideration of the people by the Council of National Defense as the best method of preserving good work accomplished under the patriotic stimulus of the war.

Community Councils are heartily endorsed by two other Federal Departments—the Department of Agriculture and the Department of the Interior.

Community Councils do not imply a new organization, but a coordination and centralization of all existing organizations in any community.

Every organization seeking to do service in the community is included in the Council. No individual organization loses its identity, nor is curtailed in its activity since each has a vote in the Council; on the contrary, each individual organization is stimulated to a wider usefulness by the endorsement and guidance of the Council.

### RED CROSS WORK CONTINUES.

Sixty-five tons of knitting yarn, originally purchased by the American Red Cross for the making of socks and sweaters for American soldiers, has been manufactured into 78,000 yards of cloth, and 33,000 shawls, fifty inches square and shipped abroad to help provide for the destitute war sufferers of Europe.

The shawls are especially heavy. The cloth consists of 50-000 yards, all wool, for blankets and heavy garments, and 28,000 yards eighty inches wide with a cotton warp.

In addition, the American Red Cross has since the first of the year, shipped 1,060,617 pounds of yarn and more than 22,500,000 yards of material for the making of garments—textiles valued at \$11,295,141, and including dress goods, canton flannel, outing flannel, bathrobing, bleached and unbleached muslin, sateen, twill jeans and gingham. Large quantities of buttons, hooks and eyes, thread, needles and similar accessories have also been shipped.

This material will be used in France or sent to Belgium, Poland and the Balkan states, where most needed and will be fashioned into garments by the people who are to receive it.

It is estimated that the German invasion of France and Belgium alone made wanderers of 1,250,000 formerly happy country people, and Red Cross investigators have reported the need for clothing among these and other war sufferers as being even more imperative than food.

### JUSTICE CARTER'S VALUABLE SERVICE.

There is a possibility that Justice Orrin N. Carter may resign from the supreme court in order to be a candidate for delegates to the constitutional convention. There is no questioning the value of the service which Judge Carter would render to that important deliberative body, but it will be a distinct loss to the state if he leaves the supreme court. As a justice of that court thru the years of his membership he has continued to add to his reputation which he had already made in the courts of Cook county as a fearless and just judge.

### PREMATURE FOURTH ENTUSIASM.

The police department has issued a notice that there must be no premature celebration of the Fourth of July and that offenders against the order will be arrested. Thus far there has not been as much promiscuous shooting of fire arms as usual in anticipation of the national holiday, but there should be even less.

It is a difficult rule for the police department to enforce, but it is important nevertheless, not only to avoid the annoyance to the public but also to impress upon young America that the laws must be observed. It has a bad effect on boys to read a police department notice about the enforcement of certain orders and then to find that these orders can be violated with impunity. As the governor of Illinois said recently: "It is the enforcement of law that makes for its respect."

### A MATTER FOR EXPLANATION.

Just about the most serious charge brought against Secretary of War Baker is that after the signing of the armistice he sanctioned the purchase of a whole county in Georgia for the establishment of Camp Benning. This has meant the expenditure of millions of dollars. The action was taken after the war was over and in opposition to the known views of congress. The authority of the secretary is not questioned, but an explanation is due for the expenditure of this vast sum of money, when the war emergency had passed.

### STRONG FOR AMERICANISM.

The Loyal Order of Moose at its national convention the other day passed a resolution declaring opposition to every un-American movement in such unmeasured terms that the organization came into new favor because of its definite patriotism. The Order of Moose has also right to claim special public favor for the very beneficial work it does for children at the home established a number of years ago at Mooseheart. There the surroundings in which orphan children are placed give them the gentle influences of home and they are given school courses which will prepare them for the actual duties of life.

## Rippling Rhymes By Walt Mason

**Sleep.**  
Sleep balmy sleep, of which the poet writes! With that in stock, successful are our nights. If man can't sleep when to his couch he goes, if he can't draw some hours of calm repose, if midnight hours but fret him and exhaust, his life is vain, his world a killing frost. He may have fame in both the hemispheres; admiring men may greet his nobis with cheers, the "Welcome" sign may hang across the street, when he to Prunella turns his princely feet; but all his honors tawdry are and cheap, if night hours come and he can't go to sleep. He may have wealth heaped up and heaped again, his his ad critics may groan with iron words, he may have yachts and stately parks and grounds, and hunting steeds on which to ride to hounds, but such possessions have no worth or charm, life is a failure and a false alarm if sleep won't come when he retires to bed, while hours drag on with weary feet of lead. While I can sleep I envy no one's luck; the millionaire can keep his showy buck; the statesman great may revel in his fame, all shining marks can play their lustrous game; I sleep the night thru like a little man, and rise at dawn to do the best I can.

### WATCH FOR THE BALLOON

**MUSICAL AT NORTHMINSTER.**  
There will be a musical given at Northminster church Friday night. A special invitation is extended to all returned soldiers of the church. They will be given an opportunity to relate their experiences in camp or overseas and to display relics they have gathered. The soldiers will be guests of the Woman's Missionary society.

### WILL GO TO DECATUR.

L. T. Potter, manager of the Jacksonville creamery, and A. T. Davenport, field agent for the same concern, will go to Decatur today to be present at the monthly meeting of the State Butter-makers' association. Mr. Potter will appear on the program, which includes a number of well known speakers.

**NOTICE**  
All property owners are hereby notified to cut the weeds on their property and in front of it by July 1, or the city will do the work and charge for the same.

**CUTTING WHEAT.**  
The cutting of wheat has begun in several localities in the county. However, the storm yesterday afternoon put an end to operations for a day or two in most localities, for unless the land is especially well drained a binder will not run satisfactorily today. Although these rains are doing good to corn, farmers who have wheat ready for cutting are hoping for a week of dry weather.

Clyde Vickery who is now employed in the Burlington offices in Chicago, spent Wednesday in the city visiting friends and relatives. Mr. Vickery has been visiting his brother, Frank P. Vickery in Springfield and took the opportunity to run over to his old home. He is looking fine and says he likes his work in the big city.

### RETURNS TO HOME IN GRIGGSVILLE

Mrs. W. H. McKeown and infant, who have been guests at the home of Rev. J. O. Kirkpatrick and family at 221 Webster avenue left yesterday evening for her home in Griggsville. She was accompanied home by her husband who came to the city Wednesday for that purpose.

### INSTALLS FAN

The Rialto theatre, Miss Brown as manager, has had John M. Doyle install a large Emerson exhaust fan. This added equipment will make for the comfort of Rialto patrons.

Manuel Darush has returned to his home in this city after several months time which he spent in the overseas service of the army.

## Social Events

### Annual Picnic of the Sinclair Country Club.

The annual picnic of the Sinclair Country club was held at the home of Mr. and Mrs. Frank Hunter Wednesday evening. The members of the club entertained their husbands and about seventy were present.

The domestic committee in charge was composed of Mesdames Amos Swain, Frank Hunter, Clyde Martin, Charles Bealmear and Lester Hart.

During the evening Mrs. James Mahon sang a group of songs with Mrs. Newton Wilson as accompanist.

A two course luncheon was served and the event was one of the most enjoyable of the club year.

### Picnic at Nichols Park.

Mrs. Walter Rabjohns entertained a number of friends at a picnic at Nichols park Tuesday afternoon, the event being in honor of Mr. and Mrs. Earl Goodrick of Chicago, who are the guests of relatives here. The weather was not all that could be desired but the members of the picnic party reported a good one notwithstanding. Mr. Goodrick, whose marriage to Miss Clara Snyder of Chicago took place recently, was formerly a resident of this city. This is his first visit here in several years and he found many friends glad to greet him and to meet his bride.

### Birthday Party for Two-Year-Old.

A birthday party was given recently at the home of Mr. and Mrs. H. G. McGill, 302 West North street, in honor of the birthday of little Miss Helen Elizabeth Fawcner, daughter of Mr. and Mrs. F. P. Fawcner of Cairo, who are guests at the McGill home. A number of children were invited to attend the interesting event and they spent several hours in a very pleasant way.

Mr. and Mrs. Fawcner, who are both graduates of the State School for the Deaf in this city, have many friends in Jacksonville, their former home. Mrs. Fawcner prior to her marriage was Miss Daisy Trigg.

### Pleasant Family Gathering Near Murrayville.

A pleasant family gathering took place recently at the home of Mr. and Mrs. Alfred Cockerill, near Murrayville, in honor of Mrs. Mary White of Endicott county, Mo. The day was most enjoyably spent, the guests departing in the late afternoon. The company included Mr. and Mrs. David Melton and daughter, Jacksonville; William Cockerill, wife and children, Fay and Frank; Belle Cockerill, Harvey Cockerill, wife and two children, Stanley Day of near Manchester; Mr. and Mrs. John Thady and daughter Cecil and son Roy of near Murrayville; George White of Quincy; Mrs. William White, Plymouth, Austin Cockerill of near Merritt and Mr. Langlan of Manchester.

### Pleasant Hour Club Met With Miss Phillips.

The Pleasant Hour Club met at 2:30 Wednesday afternoon with Miss Bea Phillips on West State street. There was a good attendance of members. Following the business session a most enjoyable game called "Vegetable Salad" was played. Refreshments were served and the meeting adjourned.

### TWO ERRORS

In the issue regarding the honor conferred on Rev. E. C. Pires two annoying errors occurred. A line was dropped out which contained the statement that the degree of Doctor of Philosophy had been conferred; the copy said Rev. Mr. Farrar, a former pastor of Park street church received a degree but the item said the gentleman was a reformed pastor.

### WILLIAM W. SARTOR RETURNS

William W. Sartor of Woodson was in the city yesterday. He was recently discharged from the service at Staten Island. He was in the infantry, artillery and finally the quartermasters department.

## Intelligence

Have you seen a picture of the Allied Council at work in the Hall of Mirrors at Versailles—if not, look it up and study it.

Those men, from the President of the United States down to the representative of the tiniest nation, absolutely are immaculate in their dress.

Does this tell you nothing?

It means that the minds of great men, the world over, recognize that it is the custom of civilization to appear well groomed.

We have in stock a large quantity of fine woollens and summer fabrics which we should like to show you.

Our business is growing rapidly—Jacksonville is growing rapidly—the bigger men, the business men and the plain citizen with broad social and business activities has to look about for better clothes than Jacksonville used to wear.

Our years of experience has enabled us to get these goods at the lowest figure. Some of them cost more money than in the old days—but price, you know is a result of world conditions and only relative.

"Intelligence" demands of the thinking man good clothes from a good shop—good fabrics from a known mill—proper style and fit as a matter of personal taste.

Drop into our shop—a tailor shop where thinking as well as sewing is being done—you'll never regret it.

SMITHSON FUNERAL HELD AT WINCHESTER

Services Took Place Wednesday Morning—Remains of Mrs. Morgan Brought From St. Louis—News Notes.

Winchester, June 25—The funeral of Harvey Smithson was held Wednesday morning at 11 o'clock at the home of his mother, Mrs. Robert Smithson, five miles northwest of Winchester. The service was in charge of Rev. W. R. Johnson. Appropriate music was furnished by a quartet composed of Mrs. W. H. Kinison, Miss Martha Higgins, John C. Moore and W. R. Johnson. The minister spoke in a very feeling way and made appropriate reference to Mr. Smithson, who spent the early days of his life in Scott county.

Burial was in Winchester cemetery the bearers being Chester Smithson, Alvin Hamilton, Ivan Smithson, John C. Moore, Orville Smithson, Frank Killyer.

The remains of Mrs. Laura Morgan, wife of Frank Morgan, were brought to Winchester from St. Louis, accompanied by her husband and daughter, Ethel, and Otto Evans. The funeral cortege went immediately to the cemetery where the services were conducted by Father Bell.

Mrs. Morgan was born and reared in Winchester and was the daughter of Mr. and Mrs. Ezekiah Evans, deceased. Two sisters also preceded her in death many years ago. The deceased was survived by three brothers, William Evans of Winchester, Charles Evans of Peoria and Ezekiah, Jr., of St. Louis. The bearers were Robert Sperry, William Wainwright, Guy Paul, George C. Smith, Carl Miller and Joseph Eddings.

## OLD JACKSONVILLE

The Old Printer

By Ensley Moore

(Member Illinois State Historical Society)

The other day the Springfield Journal had a story about the "Tramp Printer," by William Allen White, of Emporia, Kansas, author of "A Certain Rich Man," etc., etc.

White said: "In the morning he used to get humped over the premier case throwing in a handful. When the editor came to work, it was customary for the others in the shop to show the editor some attention; the foreman to walk to the editorial desk with the proof of an ad; the job printer to hammer busily with the planer on a form of a 'Rooms for Rent' card which was ever being made ready for the press; the two lean compositors to shake their cases as they had been working for hours; the cub to change legs on the job press and clatter the thrown-in with more business than a third pup. But the tourist—the typographical tourist—at the premier case, paid no attention to rank; made no obsequious bows before the potentates and powers," and so White ran along the more or less of the perfect description which any one who has been about an old time printing office will know so much about.

It's enough to make "Cap" Swales forget that he is a county judge, and to make his brother Dave think he's got to go down in McDonald block, on North Main street, and start things up as he used to do when foreman of the Journal news-room.

But the Journal has had its "old time" days.

There was one there when Col. Smith and Joe Ironmonger and Dave Swales and Frank Mitchell shook up Jacksonville with a "daily" which has never died out since those April days of 1866.

We will call him R. B.

That was what they called him around the office.

He wasn't what you might call particular about his personal appearance, but he had his own views and opinions as decidedly as a member of the recent Peace Conference in Paris.

He had a right to opinions, for he was one of the first boys who began to get an education at Illinois College back there in "the thirties." To be sure he did not keep at it—even in the "Manual Labor system" of education of those days—and he got up to a

case to furnish himself something to eat, along when James G. Edwards was running a paper in the coming "Athens of the West." Some one else tried to run a paper after that, and R. B. got to be ambitious to be an editor and publisher, and, when this second publisher gave out, R. B. bought half the type and things in the office—somehow—and went a piece North and established what is now a leading paper of the state. But R. B. did not last long, and he kept reverting back to Jacksonville long after he had to give up his office, and he would come back again and again to the print shops here.

Printer and Carrier. When the Daily Journal started, R. B. took a double part as type and carrier. He didn't worry to wash up as he left the newsroom to tramp around with his little bundle of papers—the whole edition then ran about four or five hundred copies.

A strong feature of this expedition was R. B.'s high white fur hat. These old habits of the thought—spreaders are very apt to be quite sensitive, and this proved true of our friend. For one morning, after Frank Mitchell had alluded to him, in the local column, as the "Old Knight of the Grey Hat," R. B. felt hurt about it, somehow, and Frank had to write up something for the next day which acted as an emollient to the old hero's feelings.

No "Hero"?

Well, he felt like one! Hadn't he been there when they started Illinois College? Hadn't he known Joe Duncan before he became Governor? Hadn't he helped John J. Hardin to get his regiment off to Mexico? Wasn't he here when Charlie Adams and Mark Wood led their men to the War?

"Well, what of that?" Why enough, he had set up more or less of the stories about them with his own fingers, and they were not "dirty," either—the "proofs"! Surely, he had been a hero!

Then, perhaps, R. B. helped out Bailey on the "Sentinel" or Funk on the "Independent," both of which papers went into what is now the "Courier," and kept at his case till one day he did not come back, and R. B. had gone with all the other self-sacrificing, good hearted early settlers that did a part to build up what we enjoy.

best wishes of their many friends for a long and prosperous married life.

## Matrimonial

Landes-Hagen.

The marriage of Earl R. Landes and Miss Ellanora Hagen was performed in this city Wednesday afternoon at 2 o'clock by Rev. J. O. Kirkpatrick at his home, 221 Webster avenue. The young people were unattended and the ceremony was witnessed by Miss Myra Kirkpatrick and Mrs. W. H. McKeown of Griggsville. Immediately after the ceremony the young people left for Lynnville, where they will at once go to housekeeping.

The bride is the daughter of Mr. and Mrs. Charles Hagen of Lynnville and is well and favorably known in her home community. She will have the good wishes of her many friends for a long and happy wedded life.

The groom is the son of Mr. and Mrs. Fred Landes, formerly residents of Lynnville, but now of Alexander. He has just returned from a year's service in the army, all of which time he spent at Camp Taylor, Ky., as a member of the construction corps. He is a carpenter by occupation and is a young man of many fine traits of character.

Willerton-Rohlf. A pretty home wedding was solemnized at the home of the bride's parents, Wednesday evening at 8:30 o'clock when Miss Mary Sabra Rohlf became the bride of G. W. Willerton.

The ceremony was said by the Rev. Myron L. Pontius, pastor of Central Christian church and was witnessed by only relatives and a few intimate friends. They were attended by Mr. and Mrs. Luther Vieira. Mrs. Vieira before her marriage having made her home with Mr. and Mrs. Rohlf.

The bride wore a gown of blue silk while Mrs. Vieira's gown was of white silk. The Rohlf home was tastefully decorated with ferns and cut flowers.

The bride is the daughter of Mr. and Mrs. Henry Rohlf of 735 South West street. Practically her entire life has been spent in this city where she attended the public schools and later took a business course at Brown's Business College. She is a member of Centenary church and has always taken an active interest in the work of the church and Sunday school. Recently she has been employed at the Kresge store and is highly regarded by both her employers and associates.

The groom is the son of the late William Willerton and was born and reared in this county. He is a farmer by occupation and is accounted successful in his calling. He is a young man who has made a reputation for upright and honest dealing and is highly regarded by all who know him.

Following the ceremony refreshments were served the assembled company. Mr. and Mrs. Willerton will begin housekeeping at once in a home already prepared by the groom on Caldwell street. They will have, the

## PERSONAL CARE IS URGED

Jacksonville has few real beauty spots and while it may be said there is no actual money in any of them still they are nice things to have around and elicit a good many pleasant words about the city. Central park is one of them and if everybody would be careful not to throw paper, peelings and litter of all sorts about the place it would look better. Central park is meant to be enjoyed; the seats in the shade are to be used and the people are expected to eat fruits, lunches and peanuts there and they are only asked not to scatter their paper sacks, peelings and shells about. In general this request has been very well observed and there is not much fault to find tho there might be some improvement.

The same may be said on a larger scale regarding Nichols Park. The park is meant for picnics and gatherings of all kinds and the park board has supplied wire cages for the reception of all kinds of litter and people using the park are strongly urged to leave their waste in the cages for burning.

When it rains of course the pavilion must be sought. There is a rule against eating lunches in that structure and the board says it must not be violated except in case of bad weather.

LADIES' TAILORED SUITS, OF ALL WOOL MIXTURES AND PLAIN SHADES, IN LIGHT COLORS ONLY—FOR MOTORING AND OUTING WEAR—WORTH UP TO \$35.00, REDUCED NOW TO \$14.50. SEE WINDOW TODAY. F. J. WADDELL & CO.

## CHURCH WOMEN PREPARING JULY 4TH MENU

Women of the different churches are furnishing many of the supplies for the soldiers' dinner July 4th. Grace, Centenary and Brooklyn churches have been asked to provide 2,000 sandwiches. The women of other churches have also been made special allotments by Mrs. Lillian King, chairman of the committee. The women in due time will be properly credited with the contributions thus made.

## TO BECOME RESIDENTS OF THIS CITY

H. S. Bancroft and family of Pontiac, Ill., are to become residents of this city and will occupy the residence of L. O. Vaught at 1041 Grove street for the summer. Mr. Bancroft is an expert engraver and watch repairman and will be employed by the Russell & Thompson jewelry store.

## CUBS TAKE LAST GAME OF SERIES

Vaughn Proves Very Strong  
With Men on Bases—Rain  
Caused First Game to Be Post-  
poned—Other National Games.

Cincinnati, June 24.—Vaughn was very strong today with men on bases and Chicago won the last game of the series 3 to 1. The teams were to have played two games today, but the first was postponed on account of rain.

WHITE HALL IS VISITED BY STORM.  
Electrical Storm Accompanied by Wind and Rain Visits Greene County City—No Damage Done Except Delay of One Day in Wheat Cutting.  
White Hall, Illinois, June 25.—An electrical storm, accompanied by wind and rain, raged over this community between 9 and 10 o'clock Tuesday evening, and the local government gauge showed the rainfall to have amounted to 0.80 of an inch. The threatening character of the clouds as they formed on the approach of the storm created extreme uneasiness. No damage resulted from the wind and lightning, but the work of cutting the wheat crop, now in full blast, was delayed for a day. Burlington stock train, No. 80, south bound, ran into a washout shortly after midnight at a point ten miles south of White Hall, between Wrights and Greenfield, derailing the tender and six cars and tying up the road for fourteen hours. The train was running slowly, and the engine got across the washout without leaving the rails. The C. & A. had a washout just south of Covell, the first station south of Bloomington on the Jacksonville line. Both of these washouts occurred in open country, not near a stream.

A. P. Titus, general manager of the C. & A., is in conference with representatives of the C. & A. telegraphers at Chicago today with reference to bringing about a settlement of the telegraphers' strike that had its beginning with the commercial men and has extended to railroad telegraphers in sympathy with the commercial men. The strike is more effective among the railroad men than among the commercial men, but affects only commercial messages handled at railroad stations, and it is believed that a settlement is in sight.

Lieut. Paul Howard departed Tuesday night for Chicago, where he has taken a place with the International Steel Co.

WARNING.  
Premature celebration of the 4th of July, by the discharge of Firecrackers or other explosives, is contrary to city ordinance, and offenders will be arrested and prosecuted.

Acting Chief of Police

DISASTROUS RUNAWAY.  
Yesterday afternoon a horse hitched to a buggy and dragging a hitching post which he evidently had pulled loose, passed along the south side of the square westward. At first he didn't go so very fast and one man nearly caught him but he escaped and ran around the west and north sides and then south and down Mauvaisterre street to Chambers or Kentucky street when he turned east and was seen no more. He dropped the hitching post on the south side of the square but stayed with the buggy till out of sight.

Dr. and Mrs. T. J. Pitner left Wednesday night for Ludington Mich. The doctor expects to be away about two weeks, but Mrs. Pitner will be gone a longer time expecting to visit other resort points before her return.

HAXTON GRANTED NEW TRIAL.  
In the county court yesterday Judge Charles E. Martin heard the argument for a new trial in the case of Walter Haxton, charged with selling liquor in anti-saloon territory. J. M. Butler appeared in behalf of Haxton and the motion for new trial was allowed.

**STOCK TRADING  
SMALLEST IN WEEKS**  
Little Change of Direct Interest  
or Relation to Quoted Values  
Aside From Money Market.

New York, June 25.—Opera-  
tions on the stock exchange today  
reacted in a more pronounced  
manner the extraordinary changes  
which have come over the specu-  
lative situation with the ap-  
proaching ratification of the  
peace treaty. The turnover was  
the smallest of any full session in  
many weeks. Aside from the  
money market which was the gov-  
erning influence several of the  
day's developments of direct  
interest or relation to quoted  
values. Call money opened at 7  
to 7 1/2 per cent rose to 15 in the  
final hour and closed at 8.

Stocks had an irregular to  
heavy opening but recovered be-  
fore mid-day on the strength and  
activity of metals, those issues  
showing extreme gains of 1 to al-  
most 5 points on reports of cop-  
per sales at 18 1/2 cents.

Motor oils, shipments, tobacos,  
leathers and several of the food  
issues recorded gains of 1 to 3  
points to these were largely dis-  
sipated when this money flurry  
occurred.

The market showed an irreg-  
ular mixture of losses and gains  
at the end. Sales amounted to  
935,000 shares.

The bond market followed the  
uncertain course of stock trading  
in that department also, windling  
perceptibly. Total sales (par  
value) aggregated \$7,275,000.

### THE HOME-COMING CELEBRATION

In connection with the dinner for soldiers at Nichols park July 4 it is expected that it will be a picnic occasion for everybody. It is not possible to entertain relatives of the soldiers at the public dinner, but the tent will be erected at a spot where there will be plenty of space nearby for picnic parties. On that day thousands of Morgan county people are expected to have their lunches served on the park grounds.

E. E. Crabtree, chairman of the executive committee for the homecoming when in Springfield Tuesday had an interview with Gen. George Bell, Jr., who commanded the 33d division overseas, and invited him to be present in Jacksonville July 4. Gen. Bell was very courteous both to Mr. Crabtree and Capt. Wesley James, who accompanied him, and while he made no definite promise to be the county's guest on that date, indicated his hope and desire to come. Gen. Bell said that soon

after his return to Camp Grant that he would make certain about his engagements and notify the local committee.

In Springfield the Jacksonville people noticed how universally the merchants followed the plan of closing the stores. In fact, there were no business houses of any kind open other than the restaurants and ice cream parlors. All Springfield turned out for the parade and judging from the crowd, nearly all the residents of the county were there also.

## ENDEAVRERS WILL MEET AT VIRGINIA

Cass County Selected as the Next Place of Meeting — Officers Elected for Ensuing Year — Last Sessions Interesting.

Virginia was selected as the next meeting place of the district Christian Endeavor convention. The closing day was marked by many interesting addresses and much benefit resulted. Officers also were elected for the ensuing year as follows:

President—Miss Alice Kricke, Beardstown.  
Vice president—Miss Ruth Leeper, Virginia.  
Secretary—Miss Cora Cherry, Jacksonville.

Intermediate superintendent—Miss Dorothy Biddlecome, Virginia.  
Missionary superintendent—Miss Nannie Meacham, Waverly.  
Pastoral adviser—Rev. W. H. Marbach, Jacksonville.

**Morning Session**  
The second day of the C. E. district convention was filled with good things from the start. The devotional hour led by Rev. W. H. Marbach was indeed uplifting. He took for his theme the first chapter of Paul's first letter to Timothy as a beautiful example of the manner in which a veteran was interested in a youth. He referred to the mention of Timothy's grandmother Lois and his mother Eunice and told feelingly of the manner in which so many had been untrue to the great apostle.

Among the greater lights who participated in the morning session were Karl Lehman, superintendent of work in ten southern states; Harry Githens, state superintendent of publicity and author of a number of very helpful books on C. E. work; state superintendent, Rev. I. W. Bingham; Mrs. William V. Martin, state superintendent of junior work, in addition to those mentioned yesterday morning.

Much time was profitably spent in answering questions.

**Membership Discussed**  
How to get young men into the society. Get a list of the names of all who should join. Urge them to come right along until they appear unless you see it is useless. Make a young man president of the society and have a contest between the boys and girls.

How to keep them. Give them much to do; a big part in the big things; give him what he can do and see that he does it.

How to get more prayers in the meetings. Have prayers in private or with a few till they get accustomed to praying. Help the timid; give out special topics for prayer.

Mrs. William V. Martin put up a rack on which she displayed posters and various helps in junior work. One was a set of ten ornamental pearl cards of different shapes each containing something to be committed; the ten commandments; apostles' creed, 23rd psalm, 24th psalm; list of the books of the Bible, 26 verses each beginning with a different verse of the Bible. Then there was a set with easier things and all useful. Great need is there for variety; not sensational, but interesting.

At the state convention at Bloomington July 10-13 there will be normal classes for teachers in junior work. Have attendance

cards and look after punctuality; interest the parents in the work; subscribe for the Junior Y. P. S. C. E. World and get good books published to help the work. Have efficiency sashes with a star for certain things and another emblem for five stars and so on.

**Importance of Bible Study**  
Miss Laura B. Stephens especially emphasized the great importance of memorizing much of the Bible. Commit to memory the parables, the beautiful psalms and other portions. Learn a parable and then tell the story in your own language.

At a great gathering of medical men an eminent surgeon on the platform repeated the parable of the Good Samaritan and made the application to the profession. Learn to give the story of Paul, of the early church. Especially study at home. Commit ten verses a day for five days a week and don't wait till just before going to bed to do it. Paste a verse on the mirror, on the napkin even; debate the different lessons to be learned from a parable.

Mr. Evans urged the need of a good prayer meeting and suggested a number of helpful books. R. V. W. Bingham, state superintendent, urged the importance of securing the attendance of the young people at church. In his own church he had at his right hand about 25 Endeavorers and they were a great help and inspiration. He made one unique suggestion and that was advising against repeating the Lord's prayer frequently. He said it became mechanical and really operated against real, extempore prayer from the heart which was to be cultivated.

**Urges More Publicity.**  
Harry Githens, state superintendent of publicity spoke briefly. He is the author of a number of very helpful books for those interested in C. E. work. He said we need plenty of wise advertising. If we are to succeed we must keep our cause before the public. One time a theater manager advertised that he would give 25 cents each for all the eggs brought to him at a certain hour and a host of people responded.

He paid the money, tied around the neck of each cat a string to which was attached an advertisement of a new play he was to put on soon and turned them loose and his play was well advertised. We should not adopt sensational methods and on the other hand should use the wisdom of the world in the work for the Lord.

Each society should have a press reporter who should supply the papers with everything that is of interest while it is fresh. Give the papers other news too and you will have the good will of the management and that will be valuable.

A show of hands indicated the best attendance from Cass county due, no doubt, to the efficient work of Mrs. Hager of Beardstown.

**Afternoon.**  
A song service led by Ernest Fernandes was the first number and then came the junior hour and sharpshooting contest which was won by Cecil Tapley and Hazel Stockey, both of the Congregational church of Beardstown.

This was followed by a general conference. Harry Githens gave some excellent ideas regarding prayer meeting and social; Mrs. A. L. Hager in place of Mrs. Martin, spoke ably about the junior work; Rev. I. W. Bingham discussed the topic of union officers and Karl Lehman and Rev. C. E. Evans talked ably regarding officers and committees.

Mrs. Martin was down for a talk on junior work but as she was absent Mrs. A. L. Hager took her place very capably. This worthy lady has been a great force in the convention and the attendance from her county shows what one worthy, devoted person may accomplish.

Plans for next year were discussed generally and then came supper, served this time very acceptably by the good ladies of Northminster church.

**Evening.**  
The attendance in the evening was very good. The song service led by Ernest Fernandes was excellent and the devotional service by Rev. I. W. Bingham was uplifting. The ever popular, wide awake Karl Lehmann, spoke most acceptably on the work in general and prayer or state work were taken and the response was liberal, the estimated receipts being about \$150.

**HAVE ARRIVED AT CHEYENNE**  
Miss Florence Ward wrote her father, Charles H. Ward, that her party had safely arrived at Cheyenne, Wyoming on their way toward the setting sun. She is accompanied by Miss Katherine Olmsted, Miss Rowland and Mrs. Olmsted. So far they had gotten along all right.

**CAPT. FRANK E. TAYLOR RETURNS HOME**  
Capt. and Mrs. Frank E. Taylor, who have been visiting the captain's parents, Mr. and Mrs. Eli Taylor, 319 North East street, have returned to their home in Athens, Ohio. Captain Taylor was recently discharged from the service at Camp Merritt, New Jersey and is employed at the state hospital in Athens.

**FREE! \$1.00 WORTH OF FIREWORKS.**

**ATTENDING CONFERENCE**  
County Agent G. B. Kendall went to Champaign yesterday to attend a two days' conference of county agents of Illinois. This is an annual meeting and matters of state wide agricultural interest are considered.

## FIRST WARDERS WILL HAVE SPECIAL PROGRAM

Hold Two Drills Weekly In Preparation For Home Coming Parade.

The First ward boys and girls are meeting Monday and Friday nights each week in preparation for their part in the Fourth of July home-coming festivity. Much of their program will be in chorus work and solos and they promise to add very materially to the interest of the day. As a matter of fact, the young people will give a special program, part of it during the parade in which they will appear, and part of it at Nichols park.

Mrs. W. P. Duncan has been active in organizing this interested group of boys and girls. Capt. Wesley James and Sgt. Sweeney have patriotically agreed to drill the first warders in marching and A. C. Metcalf has placed the I. W. C. campus at their disposal for this drill work.

In the parade the group will carry a banner reading something like this: "First ward bids you welcome." Their cheer will be:

"Welcome home, our heroes, Welcome home, soldier boy; We gladly welcome you today. Welcome home, our heroes, Honor and gratitude are yours, we say Welcome home."

This will be heard many times as the parade moves and there will also be some chorus numbers at 12:30. While the banquet is in progress the quartet will sing several selections. At 4 o'clock another special program will be given at the park, when "Home Again" by Henry Van Dyke will be presented: 1 as a general chorus; 2, girls refrain and whistling; 3 double quartet and humming; 4, solo; 5, chorus.

Justus Tribble is the manager of the First ward fellows and John Blesse is the soloist. Some special work will also be done by Herbert Richards. The various persons who will take part in this distinctive ward program will be as follows:

Girls' quartet—Anna Blesse, Mary Blesse, Margaret Clancy, Margaret Kelly.

Male quartet—Justus Tribble, John Blesse, Harry Williams, Ernest Nunes.

Banner bearer—Joseph Sullivan.

Specialist at carnival—Herbert Richards.

# Summering in the Pacific Northwest

The Northwest! What a Land of Adventure! Its trails—on land and sea—blazed by Lewis and Clark, by Astor, by Bering, by Vancouver.

A land of glaciers and rose festivals—of blue lakes in the bowls of ancient craters—of snow-capped peaks—of sheltered seas—of mighty rivers and the lure of golden sands. A land, too, of thriving cities and modern motor highways.

A vast, cool summer playground where one may enjoy outdoor life in the mountains and by the sea, and where one may visit great National Parks.

Go this summer. En route see some of the other National Parks of the Far West, returning (if desired) through California.

## Summer Excursion Fares
